"The Other Side of the Coin" offers an alternative perspective into topics such as identity, love, education, community, and self-worth. These are only a few essential topics that we need to look into, refine, and do a societal self-reflection on. There is more than one side to any coin. It means that with any one way of looking at something in life, there will be a different way or different ways of looking at it.

Do you feel overwhelmed right now with all the pressures and uncertainties of life? Does the thought of your past failures, failed relationships and negative labels drag you down? Have you ever wished that you could just leave everything behind and start fresh? Are you ready to finally let go, move on and live a happy and joyful life? If you keep bringing negative baggage from yesterday, it will eventually poison your future. You may have had an unfair past, but the truth is, you don't need to have an unfair future. You may have had a rough start in your marriage, your business, your career – but it's not how you start that matters most, it's how you finish. Let us begin the exploration of your journey towards "surrendering" in this book. And may we all find the strength to let go, the capacity to

forgive, and the faith to move on.

 Western Views of Islam in Medieval and Early Modern Europe considers the various attitudes of European religious and secular writers towards Islam during the Middle Ages and Early Modern Period. Examining works from England, France, Italy, the Holy Lands, and Spain, the essays in this volume explore the reactions of Westerners to the culture and religion of Islam. Many of the works studied reveal the hostility toward Islam of Europeans and the creation of negative stereotypes of Muslims by Western writers. These essays also reveal attempts at accommodation and understanding that stand in contrast to the prevailing hostility that existed then and, in some ways, exists still today.

This is the story of the legendary Muhammad Al Fateh, following him from his childhood and how he was raised by his father to become a Caliph of Islam, through to his appointment as the Caliph of the Ottoman Empire at the tender age of 19 and subsequent rule. Without Constantinople under its jurisdiction, the Ottoman Empire was incomplete. And so, Sultan Muhammad AlFateh set out to conquer it. Al Fateh was not the first person to attempt conquering Constantinople. Many warriors and caliphs of Islam before him had tried in vain. Learning from their past failures, AlFateh carefully assembled and equipped his army. Finally, after an epic battle, Constantinople was conquered. Al Fateh changed the name of the city to Istanbul. At his peak, Al Fateh was the ruler of 25 countries. In the end, he was poisoned and killed by his enemies. Yet, the Ottoman Empire and legacy he left behind stayed standing strong.

Di tengah-tengah kemelut hidup yang maha dahsyat ini, masih ramai yang lebih prihatin dan lebih berminat dengan tentang gajet-gajet teknologi berbanding persoalan hati. Betapa ramai manusia yang lebih serius untuk servis keretanya berbanding 'servis' hatinya. Kereta dicuci, ditukar dan dihias dengan pelbagai aksesori sedangkan jiwa, fikiran dan emosi terbiar kotor dan berkarat. Justeru, tidak hairanlah mengapa ramai manusia umpama kereta rosak yang sedang terhincut-hincut dalam perjalanan hidup yang penuh cabaran ini. Manusia seharusnya tidak terkapa-kapa dengan pelbagai soalan tanpa jawapan. Buku ini ditulis atas dorongan ingin melihat Islam

kembali menjadi cara hidup, bukan semata-mata cara mati. Buku ini akan memperlihatkan keterkaitan (linkage) yang kukuh antara hubungan dengan Allah dan manusia, ibadah dengan kerja, laba dengan pahala, material dengan spiritual, dunia dengan akhirat. Insha-Allah, buku pertama dalam Modul Mukmin Profesional ini akan memfokus kepada Mukmin Profesional, Hidup Cemerlang dengan Memberi, Erti Kecemerlangan Dunia dan Akhirat, Sikap Positif Penentu Kejayaan dan Kesedaran Celik Mata Hati. *Leaving Microsoft to Change the World* Independently Published

This early work by Sigmund Freud was originally published in 1912 and we are now republishing it with a brand new introductory biography. 'On the Universal Tendency to Debasement in the Sphere of Love' is an essay on the causes of psychological impotence. Sigmund Schlomo Freud was born on 6th May 1856, in the Moravian town of Příbor, now part of the Czech Republic. He studied a variety of subjects, including philosophy, physiology, and zoology, graduating with an MD in 1881. Freud made a huge and lasting

contribution to the field of psychology with many of his methods still being used in modern psychoanalysis. He inspired much discussion on the wealth of theories he produced and the reactions to his works began a century of great psychological investigation.

**Reflecting on the Names of Allah** Iman Publication Sdn Bhd

"I'm tired of being compared. Like I'm supposed to follow what my peers are doing to achieve their kind of success, instead of doing what I really want to do in life." \*\*\* We often imagine our future to be built upon our goals and dreams, but presently it seems everyone else is ahead of us. One has a dream job as a career, one is about to start a beautiful family, and another is paving a wealthy future for himself. We start to wonder and find ourselves stuck at an intersection: Should we follow the path of others to gain success or can we define our own happiness? Deciding to go against the flow of the norm is scary because we are afraid to choose. What if we choose wrongly? What if we fail and ruin our future? In this book, Aiman Azlan takes readers on an explorative journey of owning one's life choices. It might not be a life like the

others but in unfollowing the flow, perhaps we will be able to discover a life of meaning - one that is true to us.

When was the last time we really poured our feelings out to Allah? \*\*\*\* We have been taught that the only time we can communicate with Allah is when we are making du'a to Him. Even then, it comes with a set of restrictive rules that puts a 'barrier' between Allah and us. The things we recite are verses that we were told to memorise, but rarely do we truly talk to Allah about the troubles that are weighing down our hearts. Because it feels awkward. Thus when we are down and sad, we seek other means for comforting ourselves, but often they offer only temporary respite. We forget that true comfort lies only with Allah. \*\*\*\* In this book, author Ayesha Syahira takes you on a journey of spiritual discovery; of reconnecting with Allah wholeheartedly. The author focuses on nurturing the lifestyle of talking to Allah; of finding comfort by making du'a to Him at any time of the day.
