 Georgia Waltz
 has things
 many people
 only dream of:
 a plush
 Manhattan
 apartment
 overlooking
 Central Park, a

Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists

as they plumb for the grit required to reinvent their lives.

Inspiring, funny, and deeply satisfying, *The Widow Waltz* explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, “What is family, really?”

The Bad Boy Series Collection

L.D. Hall

In the tradition of Trisha Ashley and Jenny Colgan, this first book in a new series by Alexandra Brown—author of the popular

Cupcakes at Carrington's series—tells the hilarious, heartwarming story of a jilted bride who anticipates a lonely Christmas but instead finds herself in the tiny village of Tindledale, where the residents share her obsession with knitting. When life unravels, it's time to knit... Sybil has always taken comfort in her passion for knitting, creating beautiful knits stitch by stitch. But her world

suddenly unravels when her fiancé ditches her for her identical twin sister at her Star Wars-themed wedding, leaving her sporting a Princess Leia do. Then things go from bad to worse when an incident at work jeopardizes her job. Hoping to escape her woes and forget that she'll be alone for Christmas this year, she visits her friend in Tindledale—a winter wonderland of

quaint shops and snowy rooftops. When she arrives in the idyllic town, she can't help feeling like she's in a Hallmark greeting card. She's embraced by welcoming—if eccentric—locals wearing handmade knits that remind Sybil of her own creations as well as her unrealized ambitions of selling them. So when the vintage boutique asks her to make an assortment of knits for their display

window, she's thrilled. The hot town doctor has even taken an interest in Sybil, hoping to heal her broken heart. But just when Sybil thinks she's going to have her fairytale Christmas after all, an unexpected turn of events threatens to unspool her happily ever after.

"You will not sleep until you are finished with AGENT ZERO. A superb job

creating a set of characters who are fully developed and very much enjoyable. The description of the action scenes transport us into a reality that is almost like sitting in a movie theater with surround sound and 3D (it would make an incredible Hollywood movie). I can hardly wait for the sequel." --

New Word City
She's running for her life. He's the safe haven she never expected to find. The holiday season is about to get HOT. Hiding out for the holiday season in the heart of the South? Not something that Haley Quick ever expected to have on her to-do list but then...she never expected her

ex to want her dead, either. Turns out, life is full of surprises. Time to deal. Haley has ditched New York for a crazy little dot on the map known as Point Hope, Alabama. It's a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her very much Grinch-self. But enter sexy sheriff Spencer Lane...Tall, muscled, and made with an extra dose of sex appeal, he is exactly the

kind of man that Haley should be avoiding. He's charming, he looks way too good in a Santa hat, and, oh, yes, he's her new landlord. The hits just keep coming. She can't afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It's purely a business relationship. Except...the holidays in the South sure do get HOT. Or maybe that's just sexy Spencer.

Usually, Haley falls for the bad guy. It's the whole reason she's running for her life. She can't help but wonder...What would it be like to fall for a man like Spencer? He just got his Christmas wish. Sheriff Spencer Lane can't believe his luck. The most beautiful, fascinating woman he's ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley

seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that's a role that he's happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh—um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No

one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of wild elves, and a stalker ex don't make for the merriest of times, but in Point Hope, anything can happen—and it usually does. Ready for a steamy story that will get you in the ho-ho-ho spirit? Settle back, curl up with Spencer, and have yourself a jolly old time. Arduino

The war is over and blackouts are

a thing of the past, except in the village of Melchester, where the local council has refused to sully its streets with unsightly lamps. The night is pitch black, but hardly quiet. Young lovers are rendezvousing , a police constable is helping himself to a few of his neighbor's partridges, and a poet is going to visit his beloved, a new verse on his lips. She will never hear it, sadly, for the young

man is stopped along his way - stopped forever, by the tight grip of the garrote. The local constabulary wastes no time reaching out to Scotland Yard, which sends its best man: the easygoing detective-inspector Littlejohn. In Melchester he will find unspeakable secrets - and one citizen whose soul is as dark as the village night. *You Can Trust Me* Thomas Nelson

'I'm insisting you date her. Five dates together, then I'll have this surgery.'

Billionaire CEO Connor Stewart is being blackmailed. By his own grandmother, no less, who is refusing to have life-saving surgery unless Connor dates Mia Simms, his dull and dowdy marketing employee. For Violet's sake, Connor agrees to the crazy scheme. There's no risk of breaking his 'short-term only' rule with

Mia Simms; she's not the kind of woman Connor is interested in ... and he's sure she's hiding something. He just doesn't expect it to be delicious curves and a firecracker personality. Mia Simms is hiding something, and it's much more dangerous than her looks. All she wants to do is live life in the safety of the shadows and avoid discovery. But perhaps a short-term fling is exactly

what she needs to remind her to live. But what if Violet is right to push them together? Can Mia trust Connor enough to let him see the real person behind the facade she's built? Or is Violet's little scheme about to put both their lives in danger?
